Dear Colonel Wood:

On behalf of Mr. Henry S. Rowen, Chairman of the National Intelligence Council, I want to thank you for the 24 February briefing at CIA Headquarters on "Soviet and US Tactical Warning/Attack Characterization Capabilities in the Face of a Third Party Nuclear Threat."

It would be appreciated if you would keep us informed of any updating or other follow-on work that may be done at your Headquarters on these subjects.

Please convey my thanks to the briefers, Maj. Thomas H. Moates, and Capt. Joseph D. Rouge whose presentations were most effective and extremely well received.

Sincerely,

Special Assistant for
Nuclear Proliferation Intelligence
